ABOUT ME

Hello, my name is Abdullah Kashif. I am a passionate front-end web developer currently in college. Though new to the field, I am eager to gain experience and grow.

My skills include HTML, CSS, and JavaScript, with a strong interest in modern frameworks. I am dedicated to creating visually appealing and user-friendly web interfaces.

As a motivated and fast learner, I look forward to contributing to innovative projects and collaborating with experienced professionals. Thank you for considering me.

PERSONAL PROJECTS

TEXT TO SPEECH CONVERTOR

Developed a text-to-speech converter that utilizes the Web Speech API to convert written text into spoken words with a simple button click.

COURSE PROVIDER WEBSITE

Built a UI for a website for a course provider, featuring course listings, contact page, and interactive learning modules.
